THE MAKER EFFECT FOUNDATION

Maker Faire Orlando is independently organized and operated under license from Make: Community.

This project is funded in part by Orange County Government through the Arts & Cultural Affairs Program. Maker Faire Orlando is produced as a program of The Maker Effect Foundation with support from our sponsors, community partners, exhibiting makers, and hundreds of volunteers.

Proceeds from Maker Faire Orlando directly benefit the maker community in Central Florida.

THANK YOU!

Maker Faire Orlando would not be possible without the efforts of more than 1,000 people working together over the past few months. Maker Faire is powered by enthusiasm and gratitude. We hope you will take a moment to thank those who make your experience special.
